Bathroom Accessories | Floor Drains | All Sanitary Fitting

“PRIDEL INDUSTRIES” Ever since its existence in 2018, it is all determined to deliver Quality Products and no compromise is ever accepted in this philosophy. We have developed Stainless Steel FLOOR DRAINS Accessories. The Design, Material, Machining Process, Other process, Stage & Final Inspection, Packaging & Dispatch of the Material all done under Expert supervision of Our highly Qualified Team.

The uni Line vision about Quality has made us to develop the infrastructure and atmosphere suitable for the same. The Surge for Quality has made us to put most advanced Technology at work and the result is invertible. The superior Quality and the Cost effectiveness have made us prosper and spread across the nation. The Product is appreciated and paid us richer returns as well.

The USP of Our team is Experience; know how about material, Proper Process, and everlasting hunger for Quality. Our team comprises of mixture of Yung and Experienced, Skilled and Qualified, Enthusiastic & determined personnel. This is the strength of any Organization. We are blessed with such a talented team because we nurtured them with continuous up gradation, Technical support, Work friendly atmosphere, latest machines and proper guidelines to follow.

We believe in leading from the front and hence we are progressing towards developing World class products and keep on beating our own mile stones every time and let others to follow our footprints.....
